Patti Askwith Kenner

MONDAY, MAY 13, 2013

Bertram J. Askwith, Chairman and Founder of Campus Coach Lines, is a leader in the worlds of business and philanthropy. He founded Campus Coach in 1927 while still a college student in Depression-era Michigan. In the years that followed, Mr. Askwith moved Campus Coach to New York and built it into a leading charter company. Campus Coach provides quality private transportation to major institutions and individuals. Mr. Askwith has been elected to six terms as President of the New York State Bus Association and currently serves as a director of the American Bus Association. At 102, Mr. Askwith still commutes to his office every day. He is a generous supporter of his alma mater, the University of Michigan, and serves on the Board of Directors of The United Way of Westchester and Putnam, an organization in which he has been involved for 70 years.

Patti Askwith Kenner, President of Campus Coach Lines, has been a Museum Trustee for more than 14 years. She graduated from Carnegie Mellon University, holds a Masters in early childhood education from Columbia University Teachers College, and before joining her father Bert in the family bus business, she taught in Harlem for ten years. Ms. Kenner is a founding co-chair of the Museum's Spring Women's Luncheon, now in its 25th year, from which proceeds assist those who are not able to afford Museum admission. In 2009, Ms. Kenner was Executive Producer of the award-winning documentary, *Ahead of Time*, the extraordinary journey of author and photojournalist Dr. Ruth Gruber. In addition, she serves on the boards of the American Heart Association in New York City, Carnegie Mellon University, Guild Hall in East Hampton, NY, and The Educational Alliance. She was also a Trustee of The Nightingale-Bamford School for ten years. Ms. Kenner has one daughter and four grandchildren who live in Aspen, Colorado.
